

ORDINANCE NO. 809

AN URGENCY INTERIM ZONING ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF FAIRFAX ADOPTED PURSUANT TO GOVERNMENT CODE SECTION 65858 ESTABLISHING A MORATORIUM IN ALL ZONING DISTRICTS ON THE ESTABLISHMENT, CREATION OR EXPANSION OF ANY AND ALL COMMERCIAL CANNABIS USES, WITH EXCEPTIONS, EFFECTIVE IMMEDIATELY FROM AND INCLUDING NOVEMBER 1, 2017 THROUGH AND INCLUDING DECEMBER 16, 2017, UNLESS EXTENDED BY FURTHER ACTION OF THE TOWN COUNCIL

WHEREAS, in 2011, medical marijuana dispensaries, defined by the Fairfax Municipal Code, Section 17.110.020, to mean any medical cannabis dispensing collective, any medical cannabis patient collective or any facility or location where the primary purpose is to dispense medical cannabis (i.e. marijuana) as a medication that has been recommended by a physician and where medical cannabis is made available to and/or distributed by or to two or more primary caregivers and/or qualified patients, is conditionally allowed and regulated by Chapter 17.110 of the Fairfax Municipal Code; and

WHEREAS, in 2015, the California Legislature enacted the Medical Cannabis Regulation and Safety Act (MCRSA), which for the first time in the State's history adopted comprehensive regulations and licensing for the medical cannabis industry; and

WHEREAS, in 2016, California voters approved Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act (AUMA), which legalized the non-medical use of marijuana by adults over 21 years of age, and provides for state licensing of adult-use marijuana businesses; and

WHEREAS, Senate Bill 94 ("SB 94"), a budget trailer bill made effective on June 27, 2017, repealed the MCRSA, and amended AUMA to consolidate the state licensing scheme applicable to both medical and adult-use commercial cannabis activity under a new law entitled the Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA); and

WHEREAS, Assembly Bill 133 ("AB 133"), effective on September 16, 2017, further amended various provisions of MAUCRSA, including but not limited to changes to the state licensing requirements and procedures; and

WHEREAS, on October 6, 2017, California's three cannabis licensing authorities announced the official withdrawal of the medical cannabis regulations that were proposed in late spring by the Department of Consumer Affairs' Bureau of Cannabis Control, Department of Public Health's Manufactured Cannabis Safety Branch and Department of Food and Agriculture's CalCannabis Cultivation Licensing. The proposed regulations were geared toward the implementation of the now-repealed MCRSA; and

WHEREAS, the State's three licensing authorities will use the emergency rulemaking process for new regulations to implement MAUCRSA. The emergency regulations are expected to be published in November, 2017 and the State's implementation date for the issuance of medical and adult-use commercial cannabis licenses remains January 1, 2018; and

WHEREAS, the Bureau of Cannabis Control has announced that it plans to begin processing applications for temporary licenses prior to January 1, 2018, likely sometime in December, 2017; and

WHEREAS, Town Staff is therefore currently considering, studying and analyzing various medical and non-medical cannabis uses in light of the new State laws, pending State legislation and pending State regulations referenced above, including proposed amendments to the Town's existing zoning regulations to prohibit, permit, or conditionally permit certain medical and/or adult-use commercial cannabis activities; and

WHEREAS, the Town has received inquiries from the public related to the establishment of commercial cannabis retail, manufacturing, and testing businesses in the Town, among other commercial cannabis opportunities; and

WHEREAS, the unintended and unregulated establishment of new commercial cannabis uses at this time, not already expressly permitted by the Town's Zoning Code, poses a variety of potential known and unknown adverse impacts, such as offensive odors, gases, and other discharges related to commercial-scale cultivation and processing of cannabis products; unsafe or disapproved use of volatile and nonvolatile solvents intended to be regulated by the upcoming emergency State regulations; excess or dangerous waste, water, and electricity usage; and theft or other crime related to the storage and commercial distribution of commercial-scale quantities of cannabis, and traffic impacts from delivery or distribution centers; and

WHEREAS, in light of the potential known and unknown adverse impacts of commercial cannabis uses currently unregulated by local law, rapid changes of State law, ongoing development of State Regulations, and Town Staff's ongoing study of zoning proposals related to commercial cannabis uses, the Town Council finds that the current establishment, creation, or expansion of commercial cannabis uses, excepting those uses already established and permitted by the Town's Zoning Code, would create a current and immediate threat to the health, safety, and welfare of the Town, its residents and businesses; and

WHEREAS, the Town Council further finds that the establishment or creation of such commercial cannabis uses without appropriate regulation, might conflict with or be inconsistent with surrounding uses and intended zoning requirements, and if allowed to proceed under current zoning, new commercial cannabis uses not already permitted in the Town could conflict with, and defeat the purpose of, the proposal to study and adopt new regulations, consistent with State law, regarding commercial cannabis uses; and

WHEREAS, Town Council therefore desires to temporarily prohibit all commercial cannabis uses which are not already permitted by the Town's Zoning Code to provide adequate time to continue studying zoning proposals related to medical and non-medical/adult-use commercial cannabis uses and adopt regulations as necessary; and

WHEREAS, California Government Code Section 65858 expressly authorizes the Town Council to adopt by four-fifths (4/5) vote, without following the procedures otherwise required for the adoption of a zoning ordinance, an urgency ordinance which is necessary for the immediate protection of the public health, safety and welfare.

NOW, THEREFORE, the Town Council of the Town of Fairfax does hereby ordain as follows:

Section 1. Findings, Declaration of Urgency.

The Town Council of the Town of Fairfax hereby finds and declares that there is a need to enact an urgency interim ordinance establishing a moratorium on the establishment or creation of all commercial cannabis uses in all zoning districts in the Town, subject to the findings and conditions contained in this Ordinance. The Town Council of the Town of Fairfax hereby incorporates the findings set forth in the recitals stated above. The Town makes this declaration of urgency based, in part, on recent inquiries regarding the allowance of cannabis retail businesses in the Town, as well as general inquiries regarding the passage of AUMA/MAUCRSA and the establishment of similar commercial marijuana businesses. Specifically, the Town Council makes the following findings:

- (a) If a moratorium on the establishment or creation of all medical and adult-use commercial cannabis uses in the Town, excluding medical marijuana dispensaries as authorized by the Zoning Code, is not adopted prior to January 1, 2018, and prior to December, 2017 for temporary licenses to be issued by the Bureau of Cannabis Control, there is a risk that the state cannabis licensing authorities may approve medical or adult-use commercial cannabis uses to operate in the Town.
- (b) If commercial cannabis uses are allowed to proceed without appropriate review of location and operational criteria and standards, including the safe and appropriate use of volatile and nonvolatile solvents for processing and refining cannabis products and security measures adequate to protect against theft and crime of commercial-scale quantities of cannabis, such businesses could have deleterious effects on surrounding neighborhoods and businesses that present a clear and immediate danger to the public health, safety and welfare.
- (c) If cannabis retail uses or other commercial cannabis uses are allowed to proceed prior to revising current zoning standards and regulations, it would conflict with, and defeat the purpose and intent of, current zoning requirements and operational rules that apply to and only permit medical marijuana dispensaries.
- (d) The Town Council finds that if establishment or development of medical or non-medical/adult-use commercial cannabis uses, beyond those already established and permitted by the Town's Code, were allowed to proceed while the Town is studying zoning ordinances and regulations for such uses, it would defeat the purpose of studying and considering zoning proposals to regulate and/or prohibit certain medical and adult-use cannabis uses.
- (e) Failure to enact this moratorium may result in significant irreversible changes to neighborhood and community character, and may ultimately conflict with new and pending State law, State Regulations and Town ordinances that the Town may ultimately impose after it has considered and studied this issue, which will be accomplished in a reasonable time.

- (f) There is a current and immediate threat to the public health, safety and welfare of the Town and its community, thereby necessitating the immediate enactment of this moratorium as an urgency ordinance in order to ensure that permits for such commercial cannabis uses are established only under adequate regulations.
- (g) There is a current and immediate threat to the public health, safety, or welfare posed by commercial cannabis uses beyond those exempted in Section 3 below, and the approval of additional subdivisions, use permits, variances, building permits, or any other applicable entitlement for use which is required in order to comply with a zoning ordinance would result in that threat to public health, safety, or welfare.
- (h) Based on the foregoing, the Town Council does hereby declare this urgency ordinance is necessary to protect the public health, safety, and welfare while the Town is considering revisions to zoning regulations related to commercial cannabis uses.

Section 2. Moratorium.

Except as provided in Section 3 of this Ordinance, the Town Council hereby declares a moratorium on any and all commercial cannabis uses within all zoning districts in the Town. The Town shall not approve or issue land use approvals or permits, including but not limited to zoning amendments, conditional use permits, variances, tentative subdivision or parcel maps, site plan approvals, design review approvals, and building permits or other applicable entitlements for the establishment, creation or operation of commercial cannabis uses, or modification or expansion of existing businesses for commercial cannabis uses, during this moratorium.

Section 3. Exemptions.

This moratorium shall not apply to those cannabis uses already expressly permitted or conditionally permitted in the Town. Specifically:

- A. This moratorium does not apply to indoor or outdoor cultivation of medical marijuana/cannabis for personal use permitted and regulated by Fairfax Municipal Code, Chapter 17.138, Article III, as may be amended.
- B. The moratorium does not apply to indoor or outdoor cultivation of up to six cannabis plants per private residence for personal use authorized by State law, Health and Safety Code 11362.1 et seq. Persons engaging in indoor or outdoor cultivation must comply with all existing or future adopted state and local laws regarding fire safety, water use, electrical wiring, buildings, and indoor or outdoor cultivation and personal use of cannabis.
- C. This moratorium does not apply to the establishment or operation of a medical marijuana dispensary, including cannabis delivery services if any, in full compliance with Chapter 17.110 of the Fairfax Municipal Code, the conditions of dispensary's conditional use permit, and state law.
- D. This moratorium does not apply to delivery of medical cannabis and cannabis products from medical marijuana dispensaries or medical cannabis retailers, with a premises from

which cannabis delivery services are conducted which is physically located outside of the Town of Fairfax, provided that such delivery services otherwise comply with the Fairfax Municipal Code and do not establish, create, or expand to commercial cannabis uses covered by this moratorium.

- E. This moratorium does not apply to the activities of a qualified patient or a primary caregiver that are exempt from state licensure pursuant to Business and Professions Code, Section 26033.

Section 4. Definitions.

For purposes of this Ordinance, the following definitions shall apply.

- (a) “Cannabis” means all parts of the plant *Cannabis sativa* Linnaeus, *Cannabis indica*, or *Cannabis ruderalis*, whether growing or not; the seeds thereof; the resin, whether crude or purified, extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin. “Cannabis” also means the separated resin, whether crude or purified, obtained from cannabis. “Cannabis” also includes marijuana as defined by Section 11018 of the Health and Safety Code. Cannabis also includes “cannabis” as defined in Business and Professions Code, Section 26001. For purposes of this Ordinance, “cannabis” includes both medical and non-medical/adult-use cannabis.
- (b) “Cannabis cultivation” means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis.
- (c) “Cannabis delivery” means the commercial transfer of cannabis or cannabis products to a customer. “Delivery” also includes the use by a cannabis retailer of any technology platform that enables customers to arrange for or facilitate the commercial transfer by a licensed retailer of cannabis or cannabis products.
- (d) “Cannabis distribution” means the procurement, sale, and transport of cannabis and cannabis products and any other activity allowed under the state distributor license(s), including, but not limited to, cannabis storage, quality control and collection of state cannabis taxes.
- (e) “Cannabis manufacture” means to compound, blend, extract, infuse, or otherwise make or prepare a cannabis product. Cannabis manufacture includes the production, preparation, propagation, or compounding of manufactured cannabis, or cannabis products either directly or indirectly or by extraction methods, or independently by means of chemical synthesis or by a combination of extraction and chemical synthesis at a fixed location that packages or repackages medical cannabis or cannabis products or labels or relabels its container.
- (f) “Cannabis products” means cannabis that has undergone a process whereby the plant material has been transformed into a concentrate, including, but not limited to, concentrated cannabis, or an edible or topical product containing cannabis or concentrated cannabis and other ingredients. Cannabis products includes “cannabis products” as defined in Business

and Professions Code, Section 26001. For purposes of this Ordinance, “cannabis” includes both medical and non-medical cannabis products.

- (g) “Cannabis retailer” means a facility where cannabis or cannabis products are offered, either individually or in any combination, for retail sale, including an establishment that delivers cannabis and cannabis products as part of a retail sale or conducts sales exclusively by delivery (non-storefront retailer). For purposes of this Ordinance, cannabis retailer includes microbusinesses as well as nonprofits licensed pursuant to Business and Professions Code, Section 26070.5.
- (h) “Cannabis testing laboratory” means a facility, entity, or site in the state that offers or performs tests of cannabis or cannabis products and that is both of the following:
 - (1) Accredited by an accrediting body that is independent from all other persons involved in the commercial cannabis activity in the state; and
 - (2) Licensed by the Bureau of Cannabis Control.
- (i) “Commercial cannabis use” includes all cannabis cultivation, cannabis manufacture, cannabis distribution, cannabis testing laboratories, cannabis retailers, cannabis delivery, and sale of cannabis and/or cannabis products, whether intended for medical or adult-use, and whether or not such activities are carried out for profit. Commercial cannabis use includes “commercial cannabis activity” as defined in Business and Professions Code, Section 26001, and includes any activity that requires a license from a state licensing authority pursuant to the Medicinal and Adult-Use Cannabis Regulation and Safety Act (Business and Professions Code, Division 10) as may be amended from time to time. “Commercial cannabis use” does not include possession or cultivation of cannabis for personal use that is not sold and in strict accordance with Health and Safety Code, Section 11362.1 et seq.
- (j) “Medical marijuana dispensary” shall have the meaning set forth in Fairfax Municipal Code, Section 17.110.020.

Section 5. CEQA Finding.

The Town Council hereby finds that it can be seen with certainty that there is no possibility that the adoption of this Ordinance, and establishment of a moratorium on the establishment or creation of commercial cannabis uses within the Town of Fairfax, will have a significant effect on the environment because the Ordinance will maintain current levels of development. It is therefore exempt from any California Environmental Quality Act (CEQA) review pursuant to Sections 15060(c)(2), 15061(b)(3) and 15308 of Title 14 of the California Code of Regulations.

Section 6. Severability.

If any section, subsection, sentence, clause, or phrase of this Ordinance, or the application thereof to any person or circumstances, is held to be unconstitutional or to be otherwise invalid by any court competent jurisdiction, such invalidity shall not affect other provisions or clauses of this Ordinance or application thereof which can be implemented without the invalid provisions, clause, or application, and to this end such provisions and clauses of the Ordinance are declared to be severable.

Section 7. Effective Date.

This Interim Ordinance shall become effective immediately and shall remain in force and effect from and including November 1, 2017 through and including December 16, 2017, unless extended prior to its expiration by further action of Town Council.

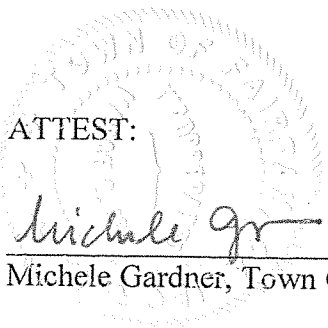

PASSED AND ADOPTED THIS FIRST (1st) DAY OF NOVEMBER 2017, BY THE FOLLOWING VOTE:

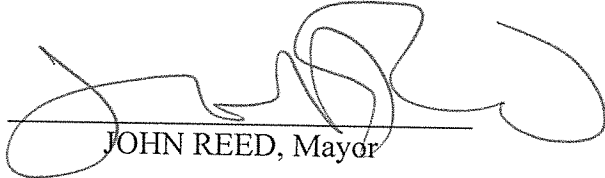

AYES: COLER, GODDARD, LACQUES, REED, WEINSOFF

NOES: None

ABSENT: None

ATTEST:

Michele Gardner, Town Clerk

JOHN REED, Mayor
